Join us for the 2024 **Sunrise-Sunset Gala** with *Robert G. Lee* August 3rd at the Museum Center

Representatives from several non-profit organizations received monetary gifts from the Sunrise Foundation last week. Robin Nation accepted a \$4,000 gift; Beth Henderson with New Hope Pregnancy Care Center received \$2,000; and Steve Anderson with the SPCA of Bradley County got \$1,500. Charles Barkley Quotes

- “Sometimes that light at the end of the tunnel is a train.”
- “I like to help poor people who got no chance. If rich people don't, who will? Not other poor people, that's for sure.”
- “I May Be Wrong but I Doubt It.”
- “Curling is not a sport. I called my grandmother and told her she could win a gold medal because they have dusting in the Olympics now.”
- “The main thing to do is relax and let your talent do the work.”
- “If I weren't earning \$3 million a year to dunk a basketball, most people on the street would run in the other direction if they saw me coming.”
- “I always laugh when people ask me about rebounding techniques. I've got a technique. It's called just go get the damn ball.”
- “The older I get, the faster I was.”
- “I think the biggest problem is parents are so concerned with being friends with their kids. You're not their friend. You're their parent.”
- “These are my new shoes. They're good shoes. They won't make you rich like me, they won't make you rebound like me, they definitely won't make you handsome like me. They'll only make you have shoes like me. That's it.”
- “There's only 5 real jobs in the world. Teacher, fireman, policeman, doctor and somebody who is in the armed service. If you don't have one of those 5 jobs, you shouldn't take your life that serious.”
- “I'm afraid of the skeletons in my closet. I've got a whole cemetery full of them.”
- “I don't believe professional athletes should be role models. I believe parents should be role models...”
